

USBA Basic Value Group Level Term Life Insurance Plan

USBA's Basic Value Group Level Term Life plan is simple and flexible...an affordable way to help protect your family's financial future. The rate you'll pay is based on your age, your sex, and your smoking status or tobacco-use. Your rate is designed to stay the same until June 1st after you've entered a new age group. See **Monthly Premium Rates** below for complete rate details and to find the table that applies to you. Your coverage can be continued until June 1st after your 79th birthday, as long as premiums are paid on time.

You'll probably find it hard to believe the large amount of life insurance you can get from USBA so affordably. But don't buy for price alone; look at all the benefits and features of our plan.

FEATURES

Simplicity - The application is straightforward and easy to complete. No physical examination is usually necessary. Apply for as little as \$25,000 and as much as \$250,000.

Affordable Coverage - Our rates are set up in five year increments. That helps keep the cost lower during the early years, at a time when a family's budget is usually tight. And the cost starts as low as \$1.50 a month for \$25,000 of coverage for a female nonsmoker under age 26.

Minimum/Maximum Coverage - Members or spouses may request a minimum of \$25,000 of Basic Value Term, to a maximum of \$250,000, issued in \$1,000 increments. The minimum is \$5,000 if you're insured under other Group Life Plans through USBA.

Note: The overall maximum coverage amount available to Members or Spouses under all USBA Group Life Plans is \$650,000. Spouse or children's coverage amounts may not exceed total amount in force on the life of the Member.

30-Day Unconditional Promise - Once your application has been approved, you'll be issued a Certificate of Coverage ... and if you're not completely satisfied with the provisions of your coverage, you can return it within 30 days, without claim, for a prompt and full refund. No questions asked!

\$15,000 Emergency Death Benefit - Your spouse beneficiary may qualify for an immediate emergency payment of up to \$15,000 on telephone notification of your death. This benefit is very helpful and greatly appreciated at a very difficult time. *Some restrictions may apply - contact USBA for details.*

Living Benefit - An accelerated death benefit that can pay you an amount equal to 50% of the USBA Basic Value Level Term Life coverage in force, while you're living.

To qualify, you must have at least \$50,000 coverage in force, be under age 78, and be diagnosed with a terminal condition which results in an expected life span of 12 months or less (24 months or less for Illinois residents). Diagnosis and evaluation of the limited life expectancy must be provided to New York Life.

The amount of insurance payable at death will be reduced by the Living Benefit paid and any premiums deferred as a result of payment of the Living Benefit. Please note that receipt of accelerated benefits may affect your eligibility for public assistance programs. You may wish to consult a financial advisor and/or attorney before applying for this benefit to determine how this may affect your personal situation.

No War Clause - Unlike some other life insurance plans, this plan pays benefits for combat-related deaths.

Area of Armed Conflict Limitation - (This limitation does not apply to: insured members who are on active military duty, including the National Guard & Reserve; death due to accident or illness; or to any coverage amount in force with USBA prior to 1/1/07.) If your death results from hostilities in an "Area of Armed Conflict," the aggregate maximum benefit payable under all USBA Group Life Plans will be limited to \$100,000. *(Note: Please contact USBA for a listing of the geographic areas currently designated as "Area of Armed Conflict." See your Certificate of Insurance for details.)*

POW/MIA Protection - If the D.O.D. lists you as Missing In Action or as a Prisoner of War, USBA will pay 100% of your premium for your USBA group life insurance in effect at that time (and continue paying either until you're no longer a POW/MIA or until your coverage would otherwise end).

Conversion Privilege - May allow you to convert your Basic Value Level Term coverage to an individual policy regardless of health - see your Certificate for details.

Beneficiary - You can choose anyone you wish as the beneficiary of your coverage and you may change your beneficiary at any time. You are automatically named the beneficiary for Spouse and Children's Coverage.

Coverage You Can Keep - USBA's Basic Value Level Term Plan continues after retirement or military separation. And there's no increase in premium or decrease in coverage, just because you retire or separate.

Individual Certificate - This section outlines the principal provisions of the USBA Basic Value Level Term Insurance Plan. Complete details are in the Group Policy G-5393-0 (Policy Form GMR) issued to USBA by New York Life. Each member receives a certificate which summarizes policy provisions affecting his or her insurance.

Continuation of Coverage - USBA Basic Value Level Term coverage terminates on June 1st following the insured's 79th birthday. Your coverage may be continued (subject to the age terminations as explained) so long as you pay your premium when due, your USBA Membership is continued, and the Group Policy is not terminated or modified to end your coverage.

Coverage for your dependents continues as long as yours does, so long as they remain eligible. If you die, your insured dependents may continue their coverage provided they remain otherwise eligible and your surviving spouse continues his/her coverage.

The Company Behind the Plan - This plan is underwritten by New York Life Insurance Company ... one of the oldest and largest life insurance companies in America.

OPTIONS

Optional Children's Term Life Coverage

USBA Children's Coverage is low-cost term insurance designed to protect your eligible children (unmarried children age 14 days through 22 years) who are not eligible for USBA Membership. Adopted/foster/stepchildren must be dependent on the member for over 50% of their support. If both parents are insured with USBA coverage, only one parent may request Children's Coverage.

Each \$25,000 of USBA Group Life coverage which you request allows you to apply for one unit of Children's Coverage. The maximum is four units.

The monthly premium is just \$1.50 per unit—and each unit covers all of your eligible children. In other words, the number of units determines only the amount of insurance on each child—not the number of children insured. And, the older your kids get, the more protection USBA Children's Coverage provides.

Children's coverage can continue as long as premiums are paid when due, you continue to be insured under a USBA-sponsored Group Life Plan, and the children remain eligible.

Each Unit Insures All Eligible Dependent Children By Age

14 days to 6 months	\$1,000 per child
6 months to 2 years	\$2,000 per child
2 years to 3 years	\$4,000 per child
3 years thru 22 years	\$5,000 per child

Optional AD&D Coverage

You can add \$40,000 of Accidental Death and Dismemberment (AD&D) to your USBA-sponsored Group Life coverage for \$2.00 per month. This optional coverage is available to Members, Spouses and Associate Members. (Children must be age 18-22 to qualify for Associate Membership.)

AD&D Benefit - The full coverage amount—\$40,000—is payable for accidental loss of life, the loss of both hands or feet, the sight of both eyes, or any two of the preceding. Half the coverage amount—\$20,000—is payable for the loss of one hand or foot or the sight of one eye.

The loss must be the direct result of a covered accident that occurs while coverage is in force and within 90 days of the accident. Loss of a hand or foot means severance at or above the wrist or ankle. Loss of sight means total and permanent loss. No more than \$40,000 will be paid for all losses from any one accident.

AD&D coverage ends on the June 1st following the insured's 66th birthday or earlier if the insured ceases to be insured under a USBA-sponsored Group Life Plan.

Exclusions - AD&D benefits are not provided for losses due to air travel, unless the insured is riding solely as a passenger. Other exclusions include losses due to war; insurrection; riot; terrorist activity; commission of a felony or assault; illegal use of drugs, hallucinogens, etc.; use of alcohol; sickness or disease or its medical or surgical treatment; intentionally self-inflicted injuries; or suicide. AD&D benefits may not be denied due to suicide if insane, unless it can be shown that the insured intended to commit suicide at the time coverage was requested.
