### FEATURES

**First 20 Years** - The price you pay the first month is designed to remain level ... Although rates are not guaranteed, they are expected to remain level for the first 20 years. It's an affordable monthly price based on your age, sex and smoking status.

**Second 20 Years** - At the end of your first 20-year term (if you are age 54 or under), you're guaranteed the right to renew your coverage for an additional 20-year term, as long as premiums are paid and the group policy is still in force. That means no hassles ... no medical questions to answer ... and no need to re-qualify for coverage. Premiums increase at renewal. (Once you reach the first renewal period following age 54, renewal is on an annual basis.) See **Renewal Terms &**

**Premium Rates** below for further details.

**Minimum/Maximum Coverage** - You decide how much you need ... how much you can afford. As a Member or Associate Member, you may request **USBA Long Term 20-Year Group Level Term** coverage in amounts from \$25,000 to \$500,000 (in \$1,000 increments). *NOTE: The overall maximum coverage amount for each Member/Associate Member under all USBA-sponsored Group Life Plans is \$650,000.*

**Preferred Rating** - If you're healthy and lead a healthy lifestyle, you may qualify for our preferred rates at substantial savings over our standard rates. It's available in coverage amounts from \$100,000 to \$500,000!

Preferred rates are not available for individuals who use nicotine in any form, including nicotine patches or gum, who have high-risk hobbies like sky-diving or scuba-diving, or who are employed in certain high-risk occupations such as pilots and crew members.

Remember, even if you can't qualify for preferred rates, you may still be eligible for our affordable standard rates. Either way, you can get quality life insurance coverage at an affordable price!

**30-Day Unconditional Promise** - Takes the worry out of buying life insurance. Once your application has been approved, you'll be issued a Certificate of Insurance ... and if you're not completely satisfied with the provisions of your coverage, you can return it within 30 days, without claim, for a prompt and full refund. No questions asked!

**\$15,000 Emergency Payment** - You won't find many other competing plans offering this benefit. Your spouse beneficiary may qualify for an immediate emergency payment of up to \$15,000 on telephone notification of your death, a very helpful and greatly appreciated benefit at a very difficult time. *Some restrictions may apply: contact USBA for details.*

**Living Benefit** - USBA offers an accelerated death benefit that can pay you an amount equal to 50% of your coverage in force, while you're living.

To qualify, you must have at least \$50,000 coverage in force, be under age 74, and be diagnosed with a terminal condition which results in an expected life span of 12 months or less (24 months or less for Illinois residents). Diagnosis and evaluation of the limited life expectancy must be provided to New York Life.

The amount of insurance payable at death will be reduced by the Living Benefit paid and any premiums deferred as a result of payment of the Living Benefit. *(Please note that receipt of accelerated benefits may affect your eligibility for public assistance programs. You may wish to consult a financial advisor or attorney before applying for this benefit to determine how this may affect your personal situation. Not available in Massachusetts.)*

**No War Exclusion** - Unlike many other life insurance plans, this plan will pay benefits for a combat-related death.

**Area of Armed Conflict Limitation** - (This limitation does not apply to: insured members who are on active military duty, including the National Guard & Reserve; death due to accident or illness; or to any coverage amount in force with USBA prior to 1/1/07.) If your death results from hostilities in an "Area of Armed Conflict," the aggregate maximum benefit payable under all USBA Group Life Plans will be limited to \$100,000. *(Note: Please contact USBA for a listing of the geographic areas currently designated as "Area of Armed Conflict." See your Certificate of Insurance for details.)*

**POW/MIA Protection** - If the D.O.D. lists you as Missing In Action or as a Prisoner of War, USBA will pay 100% of your premium for your USBA group life insurance in effect at that time ... and continue paying either until you're no longer a POW/MIA or until your coverage would otherwise end.

**Conversion Privilege** - You can convert your **USBA Long Term 20** coverage to an individual New York Life policy, regardless of health. *(See your Certificate of Insurance below for details.)*

**Beneficiary** - You may choose anyone you wish as the beneficiary of your **Long Term 20** coverage and you may change your beneficiary at any time.

**Coverage You Can Keep - USBA's Long Term 20** Plan continues after retirement or military separation. And there's no increase in premium or decrease in coverage, just because you retire or separate.

**Individual Certificate** - These pages outline the principal provisions of the **USBA Long Term 20-Year Group Level Term** Plan. Complete details are in Group Policies G-29306-0 and G-5393-0/-2 (Policy Form GMR) issued to USBA by New York Life. Each insured Member/Associate Member will receive a certificate which summarizes policy provisions affecting his or her life insurance.

**Renewal Terms & Premium Rates** - All coverage is provided under a group term life insurance policy. It provides level death benefits for 20 years. Coverage will continue until your 75th birthday provided you pay your premium when due and the Group Policy remains in force. Your Coverage will continue to be underwritten by New York Life provided USBA continues to exclusively endorse this program and pays the premium when due.

Premiums, although not guaranteed, are expected to remain level for your 20-year term. After each 20-year period, if you are age 54 or under, you are guaranteed the option to renew for another 20-year term, regardless of your health. Premiums increase at renewal and are not guaranteed.

Once you reach the first renewal period following age 54, renewal is on an annual basis with premium increases each year.

**The Company Behind the Plan** - This plan is underwritten by **New York Life Insurance Company** ... one of the oldest and largest life insurance companies in America.

## **OPTIONS**

### **Optional Children's Term Life Coverage**

USBA Children's Coverage is low-cost term insurance designed to protect your eligible children (unmarried children age 14 days through 22 years) who are not eligible for USBA Membership. Adopted/foster/stepchildren must be dependent on the member for over 50% of their support. If both parents are insured with USBA coverage, only one parent may request Children's Coverage.

Each \$25,000 of USBA Group Life coverage which you request allows you to apply for one unit of Children's Coverage. The maximum is four units.

The monthly premium is just \$1.50 per unit—and each unit covers all of your eligible children. In other words, the number of units determines only the amount of insurance on each child—not the number of children insured. And, the older your kids get, the more protection USBA Children's Coverage provides.

Children's coverage can continue as long as premiums are paid when due, you continue to be insured under a USBA-sponsored Group Life Plan, and the children remain eligible.

## Each Unit Insures All Eligible Dependent Children By Age

14 days to 6 months	\$1,000 per child
6 months to 2 years	\$2,000 per child
2 years to 3 years	\$4,000 per child
3 years thru 22 years	\$5,000 per child

### Optional AD&D Coverage

You can add \$40,000 of Accidental Death and Dismemberment (AD&D) to your USBA-sponsored Group Life coverage for \$2.00 per month. This optional coverage is available to Members, Spouses and Associate Members. (Children must be age 18-22 to qualify for Associate Membership.)

**AD&D Benefit** - The full coverage amount—\$40,000—is payable for accidental loss of life, the loss of both hands or feet, the sight of both eyes, or any two of the preceding. Half the coverage amount—\$20,000—is payable for the loss of one hand or foot or the sight of one eye.

The loss must be the direct result of a covered accident that occurs while coverage is in force and within 90 days of the accident. Loss of a hand or foot means severance at or above the wrist or ankle. Loss of sight means total and permanent loss. No more than \$40,000 will be paid for all losses from any one accident.

AD&D coverage ends on the June 1st following the insured's 66th birthday or earlier if the insured ceases to be insured under a USBA-sponsored Group Life Plan.

**Exclusions** - AD&D benefits are not provided for losses due to air travel, unless the insured is riding solely as a passenger. Other exclusions include losses due to war; insurrection; riot; terrorist activity; commission of a felony or assault; illegal use of drugs, hallucinogens, etc.; use of alcohol; sickness or disease or its medical or surgical treatment; intentionally self-inflicted injuries; or suicide. AD&D benefits may not be denied due to suicide if insane, unless it can be shown that the insured intended to commit suicide at the time coverage was requested.
