TRICARE Young Adult (TYA) Program - TRICARE Young Adult (TYA) is a “premium-based health care plan available for purchase” by qualified adult children, under age 26, after their eligibility for regular TRICARE ends. **TYA offers TRICARE Standard coverage and includes medical and pharmacy benefits.** For further information on TRICARE Young Adult, please visit the [TRICARE web site](#).

So, even if you or a covered dependent develops a serious health condition in the future, their coverage will not terminate, provided these conditions are met.

However, new conditions will be covered immediately.
