ELIGIBILITY

Spouses and Dependent Child(ren) of a disabled veteran who is a member are eligible for this coverage if they are covered by CHAMPVA. A widow(er) who is a member of the Participating Organization is also eligible for coverage as well as their Dependent Children. Eligible Spouse means your spouse who is under age 65 and not legally separated or divorced from you is also eligible for coverage. Spouses over age 65 are also eligible if documentation from the Social Security Administration certifying their non-entitlement to Medicare Part A benefits is submitted with their enrollment form. Unmarried Dependent Child(ren) under age 18, or under 23 if enrolled as a full-time student, may also enroll. Individuals who are Medicare beneficiaries may not enroll in the CHAMPVA Supplement Insurance Plan.

EFFECTIVE DATE

Subject to the Deferred Effective Date provision, coverage becomes effective on the first day of the month after we receive the request for coverage provided the required premium is paid and coverage is renewable to age 65. However, in no event will a dependent become covered under this Policy before the date the dependent qualifies as an Eligible Dependent.

If, on the date that a member or eligible Dependent is to become covered under this Policy, the member or eligible Dependent is confined in a Hospital or Skilled Nursing Facility, coverage of that member or eligible Dependent will be deferred until the first day after that member or eligible Dependent is discharged. This provision does not apply to a newborn child. If a Member requests a change in coverage, the change will become effective on the first day of the month on or after the date we receive the Request, provided the required premium is paid. No change will be made if the Member's dependent is not eligible for the change requested.

With respect to a newborn child born to the Member or the Member's Covered Spouse or a child placed for adoption with the Member or the Member's Covered Spouse, coverage shall automatically be provided during the 31-day period immediately following the date of birth or adoption placement. If application for dependent coverage and payment of required premium is not made within 31 days of the date of birth or adoption placement, coverage shall automatically terminate at the end of the 31st day. If the child's insurance terminates because the Member fails to request insurance (or pay the required contribution) within the 31-day period following the child's date of birth, adoption, Placement, or the date the Member becomes a party in a suit for adoption, benefits will be payable only for covered expenses incurred by the child during the 31-day period in which insurance was in force.

PRE-EXISTING CONDITIONS LIMITATIONS

Any injuries or sickness whether diagnosed or undiagnosed, for which a covered person received medical care or treatment within the 6-month period preceding the effective date of his or her insurance will not be covered until the coverage has been in effect for 6 months. However, treatment related to new conditions will be covered immediately.

HERE'S HOW THE CHAMPVA SUPPLEMENT INSURANCE PLAN WORKS

Plan Deductible	\$250 applies to Inpatient and Outpatient Family deductible is double the Plan Deductible
Inpatient Benefit	100% of the Cost Share remaining after CHAMPVA pays, not to exceed any CHAMPVA allowed or negotiated amount after the Plan Deductible is met and until the CHAMPVA Catastrophic Cap is reached.
Outpatient Benefit	100% of the Cost Share remaining after CHAMPVA pays, not to exceed any CHAMPVA allowed or negotiated amount after the CHAMPVA Annual Outpatient Deductible and after the Plan Deductible is met until the CHAMPVA Catastrophic Cap is reached. Not to exceed \$500 in every 12 consecutive months for coverage provided for Nervous, Mental, and Emotional Disorders; including Alcoholism and Drug Addiction.
Excess Benefit	Not applicable to CHAMPVA
Ambulatory Surgery Services (same day)	100% of the Cost Share not paid by CHAMPVA and after the Plan Deductible is met until the CHAMPVA Catastrophic Cap is reached.

We will pay the Inpatient and Outpatient covered medical expenses once the Calendar Year plan deductible of \$250 per person and \$500 family maximum has been satisfied. Expenses incurred to satisfy the CHAMPVA Calendar Year Outpatient deductible cannot be used to satisfy the CHAMPVA Supplement Plan deductible.

CHAMPVA Catastrophic Cap: CHAMPVA will increase its rate of payment to 100% of the CHAMPVA Allowed Amount when a Covered Person has met the CHAMPVA Catastrophic Cap. After the CHAMPVA Catastrophic Cap has been met, we will not duplicate benefits by paying any part of the Cost Share which is payable under CHAMPVA.

Non-Duplication of Coverage under Employer Health Program: If a claim payable under The Policy is also payable under an Employer Health Program with CHAMPVA as the secondary payor, we will limit our payment to an amount which, when added to the amounts paid by the Employer Health Program and CHAMPVA, will not exceed 100% of CHAMPVA Covered Expenses.

Other TRICARE or CHAMPVA Supplement Policy Limitation (Over-insurance Limitation)

If a Covered Person is insured under any other CHAMPVA Supplement policy underwritten by Us, any claim for benefits is only payable under one policy. The Covered Person (or their Spouse or estate, in the event of death) may elect under which policy benefits are payable.

We will return the amount of premium paid for any other CHAMPVA Supplement policy that is declined by the Covered Person retroactive to the later of:

- 1) The last date any benefit was paid for any Covered Person under the other CHAMPVA Supplement policy; or
- 2) The effective date of insurance for the Covered Person under the other CHAMPVA Supplement policy.

LIMITATIONS (NERVOUS, MENTAL, EMOTIONAL DISORDER, ALCOHOLISM, AND DRUG ADDICTION LIMITS)

The coverage provided under the Inpatient Benefit of the CHAMPVA Supplement plan for nervous, mental and emotional disorders, including alcoholism and drug addiction, is limited to:

- 1) 30 Inpatient treatment days for a Covered Person age 19 or older; or
- 2) 45 Inpatient treatment days for a Covered Person under age 19; or
- 3) 150 Inpatient treatment days in a CHAMPVA authorized Residential Treatment Center for a Covered Person under age 21 per Calendar Year.

This Inpatient limit is based on the number of days CHAMPVA normally provides each Calendar Year for such confinements. In rare instances, CHAMPVA extends these daily limits. If this occurs, we will limit the number of days that we provide for such Confinement to the number of days paid by CHAMPVA for Inpatient treatment.
