## TRICARE Active Duty Family Member Supplement Insurance Plan

### **Additional Coverage to Help Pay Cost Shares and Copayments**

The TRICARE Active Duty Family Member Supplement Insurance Plan provides coverage to help pay your TRICARE cost share for inpatient and outpatient care including doctor visits, emergency room care, prescription medications, and much more. TRICARE Active Duty Family Member Supplement Insurance Plan pays 100% of all covered expenses in excess of the TRICARE allowed amount, not to exceed the Legal Limit. You can purchase the TRICARE Active Duty Family Member Supplement Insurance Plan at any time throughout the year as long as you are eligible for and enrolled in TRICARE as a family member of an Active Duty member enrolled in TRICARE.

## **About Plan Sponsor:**

USBA is a not-for-profit association providing affordable life insurance and financial products and services to military personnel, current Federal employees, National Guard and Reserve members, Honorably Discharged Veterans and their families with the highest ethical standards of conduct and service.

## **Important Notice / Membership**

This coverage is available to members and their dependents. You must be a member of USBA to enroll in the supplemental insurance plan. There is no fee to become a member of USBA. Simply complete the USBA membership information section of the supplement insurance application, available at: [www.usba.com/TRICARE-app](http://www.usba.com/TRICARE-app)

For additional inquiries, call USBA at 1-877-297-9235 ext. 554.

## **Eligibility**

Before enrolling in the TRICARE Active Duty Family Member Supplement Insurance Plan, you must qualify for and be enrolled in TRICARE as a family member of an Active Duty member enrolled in TRICARE. For more information, please visit the TRICARE website at <https://www.tricare.mil/>.

## **Eligible Class**

- Spouses: Spouse who is covered by TRICARE under age 65 and not eligible for Medicare.
- Child: A dependent child who is covered by TRICARE under age 21 (23 if enrolled as a full-time student) or by TRICARE Young Adult and is under 26.

## **Non-Duplication of Coverage under Employer Health Program**

If a claim payable under the Policy is also payable under an Employer Health Program with TRICARE as the secondary payor, we will limit our payment to an amount which, when added to the amounts paid by the Employer Health Program and TRICARE, will not exceed 100% of TRICARE Covered Expenses.

## **Effective Date**

Your dependents' coverage becomes effective on the first day of the month following receipt of your Enrollment Form and processing of your first premium payment. If, on that day, a covered dependent is confined in a Hospital or Skilled Nursing Facility, the effective date will be the day following they are discharged. Newborn children not named in your enrollment form are automatically covered from birth for injury or sickness, including treatment of congenital defects and birth abnormalities, for 31 days. You must notify the Plan Administrator in writing and pay the additional premium due within 31 days of birth for coverage to continue beyond this period. Insured children who are incapable of self-sustaining employment because of mental or physical

disability – and who are unmarried and chiefly dependent on the insured member for support and maintenance – may continue coverage past policy age limits, with requested proof. Otherwise, each dependent child's coverage terminates on the premium due date following the date he or she is no longer a dependent.

**Pre-Existing Conditions Limitations**

If a member enrolls in TRICARE Active Duty plan and requests coverage under the TRICARE Active Duty Select Supplement within 30 days of the date his or her TRICARE Active Duty Select coverage begins, we will waive the Pre-Existing Conditions Limitation. A pre-existing condition provision means any injury or sickness whether diagnosed or undiagnosed, for which a covered person received medical care or treatment within the 6 month period preceding the effective date of his or her insurance and will not be covered until the coverage has been in effect for 6 months. However, covered expenses related to new conditions will be covered immediately.
