TRICARE Prime Supplement Insurance Plan

Why do I need a TRICARE Prime Insurance Supplement?

The TRICARE Prime Supplement Insurance Plan is designed to help pay your cost share and copayments under TRICARE (In-Network and Out-of-Network expenses). Enrollment in the TRICARE Prime Supplement Insurance Plan provides you and your eligible family members with flexibility in converting your coverage should you move out of a TRICARE Prime area and then apply for a TRICARE Select Insurance Supplement. When this happens, under the TRICARE Select Supplement Insurance Plan, you receive credit towards the Pre- Existing Condition Provision for the time spent in the TRICARE Prime Supplement Insurance Plan.

About Plan Sponsor:

USBA is a not-for-profit association providing affordable life insurance and financial products and services to military personnel, current Federal employees, National Guard and Reserve members, Honorably Discharged Veterans and their families with the highest ethical standards of conduct and service.

Important Notice / Membership

This coverage is available to members and their dependents. You must be a member of USBA to enroll in the supplemental insurance plan. There is no fee to become a member of USBA. Simply complete the USBA membership information section of the supplement insurance application, available at: www.usba.com/TRICARE-app

For additional inquiries, call USBA at 1-877-297-9235 ext. 554.

Eligibility

USBA members and spouses, under age 65 and retired from armed services who are currently enrolled in TRICARE PRIME, are eligible to apply for the supplemental insurance plan described in this brochure. Unmarried dependent children under age 21 (23 if in college) are also eligible to enroll. Coverage is extended to adult dependent children who are under age 26 and enrolled in TRICARE Young Adult (TYA) program. Coverage is also available to eligible surviving spouses, who are enrolled in TRICARE PRIME.

Eligibility Restrictions: If both You and Your Spouse are USBA members and are eligible for coverage, coverage may not be duplicated by applying as dependents of each other and both cannot enroll dependents. No Covered Person can be insured as a dependent of more than one member under The Policy.

Effective Date

Your coverage and that of your covered dependents becomes effective on the first day of the month following receipt of your Enrollment Form and processing of your first premium payment. If, on that day, you or a covered dependent are confined in a Hospital or Skilled Nursing Facility, the effective date will be the day following your discharge. Newborn children not named in your enrollment form are automatically covered from birth for injury or sickness, including treatment of congenital defects and birth abnormalities, for 31 days. You must notify the Plan Administrator in writing and pay the additional premium due within 31 days of birth for coverage to continue beyond this period. Insured children who are incapable of self-sustaining employment because of mental or physical disability – and who are unmarried and chiefly dependent on the insured member for support and maintenance – may continue coverage past policy age limits, with requested proof. Otherwise, each dependent child's coverage terminates on the premium due date following the date he or she is no longer a dependent.

Limitations

Routine newborn and well baby care, hospital nursery charges for a well newborn, dental care, treatment for prevention or cure of alcoholism or drug addiction, and prosthetic devices are limited to expenses covered by TRICARE PRIME.

Pre-Existing Conditions Limitations

Any injury or sickness whether diagnosed or undiagnosed, for which a covered person received medical care or treatment within the 6-month period preceding the effective date of his or her insurance will not be covered until the coverage has been in effect for 6 months. However, treatment related to new conditions will be covered immediately.
