TRICARE Retired Reserve Supplement Insurance Plan

Additional Protection at a Competitive Price

The TRICARE Retired Reserve Supplement Insurance Plan provides benefits to help pay your TRICARE cost share for inpatient and outpatient care including doctor visits, emergency room care and prescription medications. The Retired Reserve Supplement Insurance Plan also pays 100% of Covered Excess Charges up to the TRICARE Legal Limit. The Plan has a Calendar year plan deductible of \$250 per person or \$500 per family maximum.

For more information or clarification on TRICARE Supplement plans including costs, exclusions, limitations, and terms of coverage call 1-877-297-9235 ext. 554.

About Plan Sponsor:

USBA is a nonprofit association providing affordable life insurance and financial products and services to military personnel, current Federal employees, National Guard and Reserve members, Honorably Discharged Veterans and their families with the highest ethical standards of conduct and service.

Important Notice/Membership

This coverage is available to members and their dependents. You must be a member of USBA to enroll in the supplemental insurance plan. There is no fee to become a member of USBA. Simply complete the USBA membership information section of the supplement insurance application, available at: <http://www.usba.com/TRICARE-app>.

For additional inquiries, call USBA at 1-877-297-9235 ext. 554.

Eligibility

You are eligible to enroll provided you are an eligible TRICARE recipient, under age 65, and entitled to retired, retainer, or equivalent pay. If you are age 65 or over and ineligible for Medicare, you may enroll for the plan by attaching a copy of your Social Security Notice of Disallowance of Benefits to your Enrollment Form. Coverage is also available for your TRICARE eligible spouse under age 65, and dependent, unmarried children under age 21 or 23 if enrolled as a full-time student. Coverage is extended to adult dependent children who are under age 26 and enrolled in TRICARE Young Adult (TYA) program.

Eligibility Restrictions:

If both You and Your Spouse are USBA members and are eligible for coverage, coverage may not be duplicated by applying as dependents of each other and both cannot enroll dependents. No Covered Person can be insured as a dependent of more than one member under The Policy.

Effective Date

Your coverage and that of your covered dependents becomes effective on the first day of the month following receipt of your Enrollment Form and processing of your first premium payment. If, on that day, you or a covered dependent are confined in a Hospital or Skilled Nursing Facility, the effective date will be the day following you are discharged. Newborn children not named in your enrollment form are automatically covered from birth for injury or sickness, including treatment of congenital defects and birth abnormalities, for 31 days. You must notify the Plan Administrator in writing and pay the additional premium due within 31 days of birth for coverage to continue beyond this period. Insured children who are incapable of self-sustaining employment because of mental or physical disability – and who are unmarried and chiefly dependent on the insured member for support and maintenance – may continue coverage past policy age limits, with requested proof. Otherwise, each dependent child's coverage terminates on the premium due date following the date he or she is no longer a dependent.

Pre-Existing Conditions Limitations

Any injury or sickness whether diagnosed or undiagnosed, for which a covered person received medical care or treatment within the 6-month period preceding the effective date of his or her insurance will not be covered until the coverage has

been in effect for 6 months. However, covered expenses due to new conditions will be covered immediately.

Non-Duplication of Coverage under Employer Health Program

If a claim payable under the Policy is also payable under an Employer Health Program with TRICARE as the secondary payor, we will limit our payment to an amount which, when added to the amounts paid by the Employer Health Program and TRICARE, will not exceed 100% of TRICARE Covered Expenses.

- (a) Check with TRICARE to confirm your actual co-pay portion. TRICARE's portion of coverage is provided here for your convenience but is subject to change by DHA (Defense Health Agency); visit www.tricare.mil for the most up-to-date information. The Supplement Insurance reimburses for co-pay costs for covered services after deductibles have been met.

Confinement or Confined means being an inpatient in a hospital (or skilled nursing facility) due to sickness or injury.

Skilled Nursing Facility does not mean:

- a) a hospital; or
- b) a place for rest, custodial or educational care, or the aged; or
- c) a place for the treatment of Mental Illness, drug addiction or alcoholism.

Competitively-Priced Premiums

Rates and/or benefits are based on the attained age of the Insured Person and increase as the Insured Person enters each new age category. Rates and/or benefits may be changed on a class basis. Plan or rate changes may be subject to final approval by the applicable regulatory authorities.
