USBA (Uniformed Services Benefit Association) is pleased to announce the promotion of Victoria S. Diamond to Vice President, Finance & Accounting.

Diamond joined USBA in 2019 and is responsible for overseeing all aspects of USBA’s finance and accounting functions. She has over 10 years of experience in finance and accounting in the life insurance, investment, government accounting and government contract industries.

She earned her bachelor’s degree in business from Upper Iowa University. More recently, Diamond completed her MBA with an accounting focus, also from Upper Iowa.

Headquartered in Overland Park, Kansas, USBA is a not-for-profit Association that provides group life insurance, health insurance supplemental programs, and other products and services for military personnel, Federal employees, National Guard and Reserve members, Veterans and their families.

USBA was founded in 1959 to meet the needs of active-duty military personnel who, at the time, had difficulty finding adequate life insurance coverage that would cover combat-related deaths. USBA was one of the first companies to remove the war clause in all of its military life insurance policies.
